Dear Friend,

I don't think I have to tell you that the year 2020 has been a roller coaster ride. This has been a year full of challenges, obstacles, and uncertainty. Most people have a negative view of these circumstances. However, HOSA has a different attitude towards our current hardships. HOSA doesn't see a challenge as a bad thing. Challenges are what help us grow. HOSA doesn't see obstacles as things to be avoided. Obstacles develop our problem-solving abilities. HOSA doesn't see uncertainty as an annoyance. Uncertainty pushes us out of our comfort zones. HOSA is consistent in one thing, no matter what may be happening around you, you can always do and give your best. Challenges, obstacles, and uncertainty may try to stop you, but HOSA members are leaders, and leaders are unstoppable when they give their best.

In this Welcome Edition of our new NCCA HOSA magazine, I hope that you'll be inspired to become apart of our organization. HOSA has been developing student leaders just like you and me since 1976. Many of the healthcare professionals who are on the front lines of this pandemic started their careers by joining HOSA. Take your time and review this magazine and let us know if you have any questions.

Remember, you are a leader, and leaders are unstoppable.

Sincerely,
James Wilson
NCCA HOSA President

What's New ?

One of the new features of our chapter this year will be a monthly newsletter. This newsletter will serve as an informational tool for our chapter members. Information on upcoming events, projects, meetings, and announcements can all be found in this one place. You can find our monthly newsletter on our chapter website. On this page you can also see an example of what one of our newsletters will look like.

What's New ?

Another one of our newer features this year will be our chapter website. This website will be a one-stop-shop for all things NCCA HOSA. Here we will post news about our chapter, event updates and registration, our chapter calendar, and many other pieces and sources of content pertaining to our chapter of HOSA. You can access our website through your Health Science Trainer's canvas page or through our HOSA Linktree (found on our social media).

WHAT IS HOSA?

HOSA is a student organization that is dedicated to providing opportunities for students in Health Science Pathways. This can include Nursing, Allied Health, Sports Medicine, Biotechnology, CNA courses, and many more. HOSA provides opportunities for community service, networking, competition on all levels, and leadership. By attending chapter events and meetings, as well as HOSA conferences and competitive events, members can get the full HOSA experience, and can best reap the benefits of HOSA membership.

WHY SHOULD I JOIN?

HOSA has been in existence since 1974. It is one of the most well-known and respected student organizations in America. HOSA can boost your resume, give you community service hours, allow you to foster and develop career skills with competitive events, help you align your interests and passions with a career, and provide you with a community of like-minded students to help you along the way. Scholarship panels, college admissions teams, and future employers are sure to be impressed by everything that you will soon be fortunate enough to do in this organization.

HOW DO I JOIN?

To join HOSA you must complete two steps.

Step #1: Fill out the membership application found on our website. You can access our website through your health-science teacher's Canvas Page, or through or HOSA Linktree which you can find on all of our social media platforms.

Step #2: Pay your membership dues. You can find the exact cost of membership dues and a way to pay them digitally on our website alongside the application.

Once you have joined HOSA it's important to be an active and involved member. Attend Chapter Meetings, check the website weekly for news, participate in community service, and invite your friends to join!

20-21 Calendar

This year will consist of a variety of events, meetings, and community service opportunities. Below is a quick snapshot calendar of this year. For more dates and important events, check our website.

October 16th: Fall Rally **(Virtual)**

November 12-13th: Fall Leadership Conference **(Virtual)**

March 4-6th: State Leadership Conference **(TBD)**

Our Chapter of HOSA will hold monthly chapter meetings virtually.

MEET THE TEAM

NCCA HOSA Officer Team 2020-2021

One of the cornerstones of HOSA is student leadership. Student leaders are the heart of the organization. Luckily for NCCA HOSA, our student leaders are some of the best around. From attending leadership meetings, to maintaining our social media presence, to helping balance our checkbook, our officer team helps make sure our chapter can thrive. You've already met our President, James Wilson, so take some time to meet our other team members.

Vice President of Finance

Michelle White

About Michelle:

- 12th Grade
- Base school is Newton Highschool
- Likes to read and workout
- Favorite icecream flavor is cinnamon bun from Ben and Jerry's
- I'm very excited to get to work. This year is going to be full of amazing experiences and I can't wait to share them with our chapter!

Vice President of Administration

Giah Thomas

About Giah:

- 11th Grade
- Base school is Alcovy Highschool
- Likes to run track and play the flute
- Favorite icecream flavor is vanilla
- "I'm so excited to see our HOSA family overcome the challenges covid and any other obstacle brings this year!"

Vice President of Membership Development

Jocelyn Kilgore

About Jocelyn:

- 10th Grade
- Base school is Newton Highschool
- Likes to participate in The NHS JROTC program, cheer, and dance
- Favorite icecream flavor is cookies and cream
- "I can't wait to see how well our chapter adapts to any obstacles we have this year!"

Vice President of Communication

Chiara Chie

About Chiara:

- 10th Grade
- Base school is Newton Highschool
- Likes to play tennis, Sew, and play the baritone
- Favorite icecream flavor is chocolate/vanilla buttermilk pecan
- "Can't wait to see how our chapter will overcome the obstacles this year brings!"

Awesome Advisors

Advisors the backbone and guiding light of any HOSA Chapter. This year we have a team of three advisors who are determined to make a difference in the lives of our HOSA members.

**Mrs. Roberta
Axson**

**Mrs. Laura
Lambert**

**Mrs. Felisha
Wagner**

Dear Friend,

That's all folks! We wanted to keep our inaugural edition of our magazine as brief as possible. If you find yourself wanting more information about HOSA, or ready to become a member, I say go for it! As stated earlier in the magazine, our website will be home to everything related to NCCA HOSA. There you can find our magazines, our membership application and guide, more information about our officers, and updated information on events and chapter projects. HOSA is not complex at all--we're simply an organization dedicated to bettering all of our members. Our mission is to provide you with opportunities. Our goal is for you to become a more confident and well equipped student leader. Our mind is on you. While healthcare is a large part of our organization, don't feel left out if you aren't sure about a career path. HOSA is open to any and all students, all the time.

I'm sure by now you have more questions and are looking for answers. Check our website, talk to your health science trainers, contact a HOSA Officer. or reach out to me personally.

Thanks for reading, I hope to hear from you soon.

Sincerely,

James Wilson
NCCA HOSA President
